### Rounders

Our U13 team had a tremendous end to their rounders season on Wednesday against Skippers Hill. Put into bat we made a positive start with Millie, Lola, Beatrice and Jess all scoring off their first hits. Skippers, however had a strong bowler, back stop, first post combination and started to punish any of our batters who missed the ball. We were down to our final batter, but survived the innings and gained an encouraging score of 8½ rounders. Our opponents had some strong hitters but we fielded the ball well into our post players and before long Grace and Emma took control, successfully stumping out the whole opposition between them. We went back into bat with an 8 ½ to 4 lead. Another positive innings with the team adding 7 ½ rounders to give us a total of 16. The final score was 16 – 8 to Beechwood. Well done to all the team, a fabulous team effort.

### Cologne Christmas Markets trip: 30 November – 2 December 2018

There is something magical about the Christmas markets in Germany with the smell of cinnamon and other spices in the air, the inviting cabins selling local artisan products and German Christmas carols being played and sung in the squares. This is a wonderful opportunity for the pupils in Year 7 and above to immerse themselves in a well-known German tradition, to savour a range of delicacies and to purchase some unique Christmas gifts for their families and friends. The pupils will be given the opportunity to visit the world-famous Cathedral, go on a tour of the Lindt Chocolate Museum, try ice-skating on the open-air ice rink in the old town and shop in at least five of the seven magical Christmas markets (each very different to the next) in the city. If you would like your child to experience this festive trip, then look out for the letter coming by parent mail to you very soon. Please reply by **Friday, 29 June** at the latest, so that we can secure our train travel by Eurostar and accommodation in the city centre at a good price.
