Amadeus!

Our Drama and Music students attended an evening performance of Amadeus at The National Theatre on Wednesday, hailed as a 'note-perfect' production. The combination of acting, music and movement all resulted in an inspiring performance. Not only did we hear excerpts of Mozart's masterpieces in gorgeous splendour but Simon Slater has provided additional music, to create a flow of incidental accompaniment. The band is fully integrated into the action rather than hidden in an orchestral pit which resulted in a particularly enjoyable highlight of the production, as students were exposed to multi-disciplinary action on stage. A thrilling evening of music & drama.

Sewing Club

The Year 1 members of the Sewing Club proudly showed off their handiwork skills having finished their first project, fish, and have made a start on their next one! Super stitching! (The club is now full for this term).

Nursery

The children have been learning about the lifecycle of the butterfly and have made their own butterflies by folding the paper over to make a 'symmetrical' pattern. They have also been making umbrellas for their 'Patterns and Changes' topic.

Ecuador Quiz Night

Friday 26 January 2018

6.30pm

Tickets £8 to include food

Please contact the Front Office to book your tickets.

Snacks and drinks available

Raffle and dessert raffle

News

'Wings'

Reception topic this half of the term is 'Wings'. They went on a walk around the school grounds looking and listening for birds. They enjoyed looking at some real eggs, comparing their similarities and differences and were fascinated by the ostrich egg!

Year 1

On Friday morning Year 1 led the assembly. They told us all about Christian baptisms and the Ethiopian festival of Timkat which celebrates the baptism of Jesus.

Year 11 Parents' Consultation Evening
- 2 February**
Sixth Form Etiquette Supper
- 8 February**
Lunchtime Recital in the Chapel
- 9 February**
Classes End for Half Term

Sports News and Results

Hockey

On Monday our U13's had their first matches of the term against TWGGS B and A teams. We started strongly against their B team. The girls have been working very hard to build up their spatial awareness and ability to pass and work the ball in order to improve attacking play. Within the first few minutes we had our first shots at goal, unfortunately we couldn't quite find the gaps past their keeper. Our defence held strong against some fast counter attacks, but we missed having a keeper and despite some resolute efforts our opponents gained the lead and later sneaked in a second to give them a 2-0 victory. They then faced their A team and although it was a victory for TWGGS the girls should be extremely proud of their unwavering efforts and team work. Well done to all the team and to Edie, voted player of the match for her determination in defence and her powerful clearances from the D.

Rugby

On Thursday our U18 rugby team played their first ever 15 a-side match against Bennett. After the team formed last year with ten players we now have a squad of twenty one. We faced an experienced and well drilled Bennett team and sadly the result was not what we wanted. However the boys never gave up with some fabulous tackling particularly from Podge, Sam and George. The forwards excelled in rucking, winning some turnover ball which showed our potential. We have several fixtures over the next couple of months leading up to the second tour of France in March. Training continues on a Wednesday every week and we look forward to seeing their progress over the coming term.

Netball

The U8/9 girls thoroughly enjoyed their afternoon of netball over at Hilden Grange where they took part in two matches. The positions kept changing throughout the afternoon enabling the girls to try out something new. We went from strength to strength, maintaining an excellent level of concentration and effort from start to finish. Olivia and Georgina were on top form with their shots and impressed not only our supporters but the other teams as well. We won 5-0 in the first game and 1-0 in the second game. Superb result girls.

WEEK COMMENCING
