## Drusillas!

The Year 6 students had a fantastic day at Drusillas getting up close and personal with the animals during their workshops whilst learning about adaptations, habitats and classification. Looking around the zoo gave them insight into key information about each animal as well as learning about their conservation status. The picture shows us in the lemur enclosure listening to one of the keepers. The highlight for all is probably the meerkats running around at the end of our animal encounter which we were able to stroke. An amazing day was had by all.

## Riverhill Himalayan Gardens

Reception, Year 1 and 2 had a fantastic time at Riverhill Himalayan Gardens in Sevenoaks. They took part in a seed mosaic workshop, helped to build dens in the woods and enjoyed walking around the grounds and having a picnic lunch. The play area was enjoyed by all too.

## Tag Rugby

On Tuesday our tag rugby team took part in the annual Tunbridge Wells Rugby Tournament. They were in Group A along with Bishops Down A, St Augustine's and Southborough. The first game against Bishops Down was a tight affair with both teams showing excellent attacking movements but we managed to get to grips and won 9-7. Next was St Augustine's and we played exceptionally well winning 8-5. In our final group match against Southborough we exerted our dominance from start to finish giving another victory of 9-3. We then went into Pool A to play the winners of the other groups. Langton was the first match. It was another tight match with both teams defending well and tries being scored. Langton forced a turnover and managed to score a winning try with the last play giving them a 5-4 victory. Next Rusthall where we found ourselves trailing at half time but managed to offload the ball efficiently winning 5-4. The final game against St Matthew's and despite our best efforts the win went to St Matthew's giving us a 3-4 defeat. Overall the team came third and can be extremely proud of their attitude and performance.

## Cricket

In the girls' cricket match against Fosse Bank just before we were due to start, the heavens opened. Neither team let it dampen their spirits and both teams played well and we won giving a final score of 228-194. We hit 9 wickets and they hit 3 wickets.

On Thursday the U9 cricket team hosted The Mead. We lost the toss and Mead chose to bat but on a wet afternoon the conditions proved to be difficult. Our bowlers tried hard to keep the batsmen guessing and we did limit them to 42 runs. It was then our turn to bat, the rain had been pouring making the ball skid off the surface, our batsmen worked hard to keep themselves in contention. It came down to the final two balls of the innings and we needed two runs to win, but The Mead bowler took the wicket; an exciting end to a great afternoons cricket in the rain!

## Reminder

Please can all Food Students remember their apron and food containers. Thank you.

## FRIENDS OF BEECHWOOD

We would be grateful for any contributions for the raffle for Beechwood Day.

## Year 13!

Year 13 celebrated today with their Leavers' Liturgy and barbeque. We wish them success in their A level examinations.
