## Year 13 Leavers Gift

The leaving gift from Year 13 this year was the refurbishment of the alcove in one of the dug-outs. The work was carried out by Mr Walters, Head of Design & Technology.

## Sewing Club

Sewing Club have made dragons to celebrate St George's Day.

## Non-Uniform Day

On Friday 4 May it is the last fundraising effort for the school's adopted charity, Charlotte's Bag a non-uniform day for the whole school. It is the usual fee but pupils are at liberty to put in more if they wish as this is their last opportunity to contribute to this worthy cause. Many thanks.

## Forest School

Pre-Prep have been enjoying their new Forest School site in the school grounds and have helped to clear an area so that they were able to sit on logs and have their morning snack. They collected sticks so that they could make shapes as well as looking for different shapes in the environment around them.

## Sacred Heart Lunchtime Lectures

Parents are invited to join us on Thursday 3 May at 1.30pm in the Chapel for the lunchtime lecture by Mrs Covarr on 'The Berlin Wall'.

## Sports News

### Cross Country

On Wednesday four teams travelled to Sackville for a cross country competition against a number of other local schools. Huge congratulations to all our pupils from both the Prep and Senior School for all the effort and commendable results they achieved. Special mention must go to Nathan, Lily, Marcus, Eva and Louis all taking third place in their races, Niamh, Emma and Sam second place and Jessica taking first with an excellent run. Well done to all our pupils and good luck to all the runners who are competing at Somerhill on Monday.

### Cricket

On Tuesday our Year 9 cricket team travelled to Bethany for their first match of the season. We lost the toss and were put into field. The opening bowlers began well and restricted the opening batsmen to minimal runs. As the innings progressed Bethany began to find some form sending shots to the boundary with regularity. We worked hard to break the partnership and did so in the tenth over. Bethany continued to score runs with an impressive total of 106-5. It was then our turn to bat and the openers set about chasing Bethany's total, the bowlers proved to test the Beechwood batsmen, however runs were scored. We could not quite chase down the runs set with a total of 68-4.

### Rounders

Our U8/9 team had a training afternoon at Hilden Grange and for our Year 3's it was the first time they had actually seen and stood on a rounders pitch. We batted first; this meant that whilst they were waiting their turn to bat they could watch what fielding involved and where the fielders were positioned. The new training bats proved to be useful and the girls thoroughly enjoyed themselves and learnt a great deal over the afternoon. The first innings score was 3-6½ and second innings 1-3.

## FRIENDS OF BEECHWOOD

This year the Friends of Beechwood will be running several fun events on Beechwood Day. More details will follow shortly, but we will be holding our annual raffle after the ceremony. Tickets will be sent home in due course but if you would like to donate a prize for the raffle we would be very grateful. Please contact Rebecca Smith at [r.smith@beechwood.org.uk](mailto:r.smith@beechwood.org.uk) if you can donate a prize or send to the school marked for her attention.
