Rounders

In the U10/11 match against Radnor House, some of our girls played for Radnor House as they were short of players. Both teams played well and demonstrated excellent team work. Radnor were particularly good at hitting and managed to score more rounders compared to our halves. At the end of the first innings, the opposition led by just half a rounder, so it was very close. In the second innings, we gave away a few halves due to 'no balls' and this unfortunately had an effect on the end result. The final score was Radnor House 9½ to our 6 rounders.

The U11's had a spirited game against Radnor House on Wednesday. We elected to field first and started strongly, successfully stumping out four players. We struggled with our opponents' bowling. Esme got us on the score sheet with a super run to score a half rounder, with Grace and Lizzie then scoring off their second hits. The score at the end of the first innings was 4-3 to Radnor. Our opponents unfortunately benefited from a few unforced errors on our part in the second innings, finishing with a total of 11½ rounders. We went back into bat determined, Yasmine, Niara and Esme all scored rounders and we ended the innings with 9 rounders giving Radnor House a narrow victory. Well done to all the team.

Cricket

On Wednesday our U11 cricket team travelled to Bricklehurst Manor. We lost the toss and were put into bat. The openers began well finding the gaps and scoring quickly which continued throughout the batting pairs. We finished the innings in a very strong position with no pairs having been bowled out. Bricklehurst then turned their hand to batting. Our bowling was excellent, putting the batsmen under pressure, wickets fell consistently throughout the innings and as a result they could not achieve the total set by Beechwood. A well deserved victory, well played to all involved.

Congratulations to Isaac Hatter, Freddie Wearne and Sam Collinson for being selected for the second trial for the U13 Elite West Kent Football Squad.
