ENTRANCE TEST

The Entrance & Scholarship Day consists of some assessment tests: a non-Written Intelligence test, a Reading and Mathematics test. They will also be asked to draw a picture and write a short story. As our candidates come from so many different schools, we do not expect them to be prepared to a specific syllabus. Past papers are not made available.

SCHOLARSHIPS

Scholarships will be awarded after the Head has reviewed examination marks. Parents will be contacted at the end of the following week. If a scholarship is accepted by a candidate, a completed registration form and a cheque for £300 in payment of the non-returnable registration fee of £100 and deposit of £200, is required to confirm the agreement. All scholarships are subject to review at the end of each Key Stage.
