

Friday 12 January 2018

## Young Investigators Club

Our Young Investigators Club started the term off with a bit of a fizz! We made 'volcanos' by adding bicarbonate of soda to vinegar and washing-up liquid. Mrs Michaelson-Yeates demonstrated how gas is given off by placing a

balloon over a bottle with a vinegar and bicarbonate of soda mix. We watched amazed as the balloon inflated.

## Phonics!

Reception have been working very hard in Phonics learning to spell short vowel 'a' words. They made CVC (consonant vowel consonant) word shopping lists. They remembered their lead in and out strokes too!

## Welcome

This term we welcome Miss Kirsty Boggins to Beechwood as our Key Stage 2 Teacher.

## Besafe Online Workshops

Years 5-13 were involved in workshops with Jonathan Taylor Msc (Ex. Metropolitan Police) on Monday this week. The students discussed sharing personal information, protecting oneself online, sexting, online profiles, cyber trolling and much more. The age appropriate material promoted much thought and discussion and was followed by a presentation to parents at the end of the day. Parents may like to go to [www.net-aware.org.uk/online/safety](http://www.net-aware.org.uk/online/safety) for tips and advice and to see a free App which checks out and summarises online games that your children may want to play.

## Ecuador Quiz Night

Friday 26 January 2018

6.30pm

Tickets £8 to include food

Please contact the Front Office to book your tickets. Snacks and drinks available

Raffle and desert raffle

# News

## Sports News

On Wednesday our U11 Tag Rugby team hosted Sacred Heart Wadhurst for their first match of the year. We started slowly conceding a turnover and try in the opening minutes, but soon began to play some excellent rugby, passing the ball accurately and supporting runners. We went into the second half leading by one try. SH struck again however some excellent individual play from Alfie and Nathan saw Beechwood finish the game with our lead in tact.

### Change of Name!

Our lovely Nursery will now be known as 'Beechwood Pre-Prep' recognising that Mrs Wright and her team offer a wonderful environment for pre-school aged children. Pre-Prep is also now a 'Forest School' which will mean that children will spend structured time outside in our grounds enriching the curriculum.
